BE AWARE

To help ensure the complete success of your programs, our execution specialists will support, and as required, could even act as your sales force to flawlessly execute and implement your marketing programs.

Our field team members are carefully selected and trained to meet your specific needs. In a condensed time-frame, we can mobilize large teams to back your sales staff on a regular or blitz schedule / strategy.

We operate all across Canada, in all areas of retail sales and service. Our mandates are many and varied:

- merchandising
- sales order taking
- distribution and installation of promotional material
- sales support for new product launches
- product recalls
- and other customized needs

"In one year alone, we put together high-impact product displays that sold 998,246 cases of product for a single client, in multiple banners across the country."
